**“Education without co-curricular activities is like educating the mind without educating the soul.”**

We at HOCL School organize a wide range of co-curricular activities for our students to spark their innate skills of innovation, creativity and leadership.

**JUNE - 2021**

### Blue Day Celebration

The kindergarten section of HOCL School celebrated Blue Day. It was a pleasant and a cool blue day for the tiny tots. Excitement and enthusiasm was visible everywhere. All the children came dressed up in different shades and hues of blue. Clad in blue dresses, students were made to recognize blue colour through different games and play-way activities.

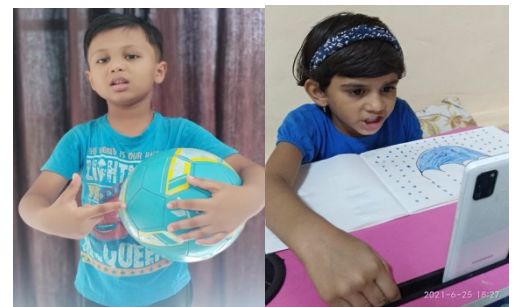

### Mommy and Me Activity

HOCL School conducted “Mommy & Me” activity for Nursery Kids. Mommy & Me activity was a great source of spending quality time with the kids. It was great way to build connections, form lasting bonds, invest in future relationships, nurture healthy development, to teach & train. All the kids and their mommies enjoyed the activity.

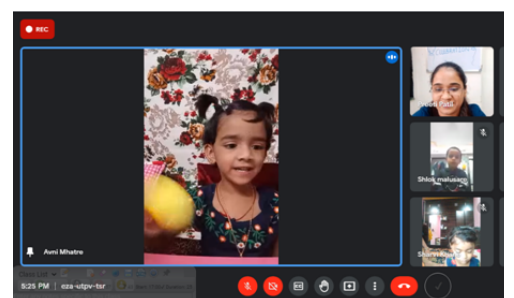

### Tik Talk Activity

In order to emphasize the significance of the colour blue, the Kindergarteners were clad in blue and were encouraged to speak a few sentences about the colour. The students shared their thoughts on the colour through the “Tik Talk Activity” which helped to create the cognitive link between visual cues and colour vocabulary which is an important part of a children’s over all development.

### Rhyme O Rhyme Activity

Rhyme recitation activity inspired the kindergarten children of HOCL School to come forward and recite their favorite rhyme. The children came up with different rhymes and recited them with great zeal and enthusiasm.

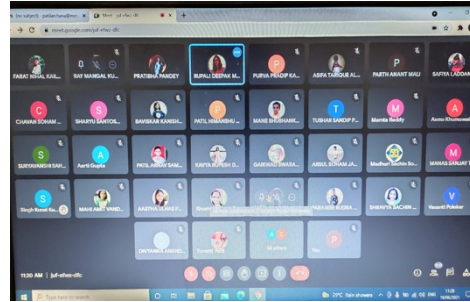

# THE NEWS LETTER

## National Reading Day Celebration

HOCL School celebrated Reading Day, which falls on June 19, with focus on technology enabled reading. The 25th National Reading Day was celebrated on June 19, with the following week as Reading Week and Reading Month will be celebrated from June 19 to July 18, 2021.

To inculcate reading habits, develop critical thinking skills, improving self-confidence and to promote Reading Day among the students, a Book Review activity was conducted for Class 1 to 4.

Students participated in the activity, where they reviewed books and presented it in front of their peers.

## Book Review Activity – Reading Day Celebration

To inculcate reading habits, develop critical thinking skills, improving self-confidence among the students and to celebrate National Reading Day, a Book Review activity was conducted for Class 5 to 12 students. Students participated in the activity, where they reviewed books authored by various authors and presented it in front of their peers and staff. Students participated in this activity with a lot of enthusiasm and vigor.
