Mahatma Education Society's

HOCL SCHOOL

Pillai HOCL Educational Campus, HOC Colony Rasayani, Khalapur, Raigad -

“Co-curricular activities in education are instrumental to draw out the best potentialities of the child.”

We at HOCL School organize various co-curricular activities for our students to spark their innate skills of innovation, creativity & leadership.

SEPTEMBER 2024

CARD MAKING

The school campus buzzed with creativity and colors once again as the Card Making activity was organized for students. Every year children look forward to this event and surprise everyone with their craftsmanship and talent. Most of their creation is beautiful, artistic and inspirational.

RED DAY

‘Red’ colour symbolizes enthusiasm, life and vitality. The day started off with the colour red every- where red dress, red rose, red teddy, red car, red apples, red cherries, here a red, there a red, red red everywhere!! The tiny tots looked stunning in their red outfits. The young ones sang Red Day song ‘My red balloon....’ ‘Apples are red... Roses are red.... I love red...red, red, red...’

ENGLISH POEM RECITAL

Recitation is one of the most important and effective modes of learning a language and appreciating a piece of literature. The main purpose behind conducting such competitions is to build self-confidence, develop oratory skills and self-expression. We organized an

“English Poem Recitation Competition” for our children on to bring out their poetic talent.

TEACHERS DAY

“It is the supreme art of the teacher to awaken joy in creative expression and knowledge.” We celebrate Teachers’ day every year throughout the country on 5th September. Students express their gratitude and appreciation for their teachers on this day. This day is dedicated to Dr. Sarvepalli Radhakrishnan – second President of India. The great academic philosopher, and one of the most well known diplomats, scholar, president of India and above all a teacher. As a tribute to this great teacher, his birthday has been observed as teachers’ day.

TOY TALE

Toys are an integral part of our childhood years – from a traditional toy like a spinning top (lattoo) to the latest games consoles, we cherish the time we have spent with our childhood friends playing with our favourite toys.

In addition to creating wonderful memories, they can be effective

resources for hands-on learning. Toddlers are known to develop their fine and gross motor skills with the help of toys at the beginning of their learning journey, and they support cognitive and emotional development.

GANESH CHATURTHI

The festival, which honours Lord Ganesha, the elephant-headed deity symbolizing wisdom and prosperity, was marked by a variety of performances by students showcasing traditional dances, songs, and skits related to Ganesh Chaturthi. The atmosphere was filled with joy as students chanted devotional songs and danced to traditional beats.

STORY TELLING IN ENGLISH

Story telling is a traditional and timeless art form which is an effective tool to inform, entertain and educate. It is one of the best ways to engage the audience and ensure a message is conveyed and understood. A story telling presentation was held at School, where each student presented a different story. All the children earnestly participated and their initiative and efforts were appreciated by everyone.

STORY TELLING IN HINDI

Story telling is a traditional and timeless art form which is an effective

tool to inform, entertain and educate. It is one of the best ways to engage the audience and ensure a message is conveyed and understood.

A hindi story telling presentation was held at School, where each student presented a different story. All the children earnestly participated and their initiative and efforts were appreciated by everyone.

WORLD FIRST AID DAY

World First Aid Day is an annual event that underscores the vital importance of first aid knowledge for every human being in the world. The day observed on September 14 every year highlights the necessity for accessible, inclusive, and innovative first-aid education for everyone.

OCTOBER 2024

VEGETABLE PRINTING

Painting is a way for children to do many important things: convey ideas, express emotion, use their senses, explore colour, explore process and outcomes, and create aesthetically pleasing works and experiences. The students of Nursery expressed their ideas and developed their fine motor skill through vegetable printing activity. They dipped the vegetables like in water colour and printed those on a chart paper.

DIWALI CELEBRATION

The Diwali celebrations at school often mean a festive look with diyas and lanterns adorning the class. The activities permeate the school premises with an atmosphere of togetherness and hope. The students of the Senior K.G. celebrated the festival of Diwali with great enthusiasm. The young students proved that creativity and talent do not have boundaries. It started with a solemn prayer to the almighty and a beautiful thought, that filled our hearts and minds with love and harmony.

SMILING WITH EMOJI

What is an emoji? Well, according to our toddlers it's "what you use when you don't want to write out or say what you feel — like in a text." In other words, it's a symbol that takes the place of an abstract concept like a feeling. Those yellow faces are everywhere these days, a familiar language to our little ones in a time when so much of their lives (and ours) is unfamiliar. Students of Jr.K.G. tried to show their feelings through this activity.

GANDHI JAYANTI

Every year Gandhi Jayanti is celebrated on the 2nd of October to commemorate the birth anniversary of Mohandas Karamchand Gandhi or Mahatma Gandhi as he is popularly known. Mahatma Gandhi was a great freedom fighter and a mass leader, representing the poor and deprived Indians of the British era. Students of Jr.K.G. celebrated Gandhi Jayanti with great enthusiasm. They enacted salt satyagrah and presented a dance and a speech on this occasion.

lead up to teach the children the life cycle of an postcard that how it works to send message from one person to other person.

DIYA DECORATION

Diya Decoration Activity was held for Class Sr.K.G.. The main purpose of this activity was to explore the student's imagination, creativity and celebrate the Festival of Lights in its true spirit. All students participated enthusiastically in the activity. Students had to decorate the earthen diyas. The students displayed their creativity by beautifully colouring and decorating the Diyas. It was sheer and a great experience for all our students.

NAVRATRI AND DUSSEHRA CELEBRATION

Dussehra, the festival to celebrate the victory of good over evil, was celebrated by students of Sr.K.G. with a lot of zeal and fervor. The program began with a prayer and a story-telling session on Dussehra followed by an act "Seeta haran". All the students were dressed up according to their favourite Ramayan character. The day was filled with great joy and enthusiasm.

POSTCARD POSTING

This activity is perfect for educators and group facilitators looking to help their groups build community, positive norms, celebrate strengths and successes, and end a program on a high note. This technique is also a

GLOBAL HANDWASHING DAY

October 15 is Global Handwashing Day, a global advocacy day dedicated to increasing awareness and understanding about the importance of handwashing with soap as an effective and affordable way to prevent diseases and save lives.

FINGER PUPPET MAKING

Puppetry is a very ancient form of theatre which was first recorded in the 5th century BC in Greece. Puppetry may take any form, but it shares the process of animating inanimate performing objects to tell a story. This activity involved mass participation students and helped the students lay their hands on such an Ancient Art Form.

WORLD POST OFFICE DAY

This activity is perfect for educators and group facilitators looking to help their groups build community, positive norms, celebrate strengths and successes, and end a program on a high note. This technique is also a lead up to teach the children the life cycle of an postcard that how it works to send message from one person to other person.

NOVEMBER 2024

MAGIC OF HAND PRINT

Our Nursery students enjoyed hand-printing activity at school. Under the supervision of their respective teachers, the students dipped their hands in various colourful paint and imprinted their palms on a chart paper. The hand prints were then cut in different shapes of trees, butterflies etc. The little ones also helped their teachers in pasting their recent photos on the cut outs. The end picture formed depicted unity in class, indoctrinating the value of staying together. The day's enjoyment continued as our teachers narrated stories with hand puppets to the students.

BLUE DAY

All the children of Nursery came dressed up in different shades of blue. The classrooms were decorated with blue balloons and umpteen blue objects. They made blue whales by pasting googlie eyes and thumb painting and enjoyed dancing on the blue whale song. It was a pleasant and a cool blue day for the tiny tots.

AAO KAHANEE KAHE

Story telling is a traditional and timeless art form which is an effective tool to inform, entertain and educate.

It is one of the best ways to engage the audience and ensure a message is conveyed and understood.

A hindi story telling presentation was held at School by the Jr.K.G., where each class presented a different story. All the children earnestly participated and their initiative and efforts were appreciated by everyone.

GURU NANAK JAYANTI

Guru Nanak Jayanti, celebrated with reverence and enthusiasm, marked the birth anniversary of Guru Nanak Dev Ji, the founder of Sikhism and a revered spiritual figure. At HOCL School, this day served as an occasion to honor his teachings and reflect on his profound legacy.

The day commenced with prayers and hymns from the Guru Granth Sahib, the holy scripture of Sikhism. Students and faculty participated in congregational prayers, reflecting the essence of Guru Nanak Dev Ji's teachings of equality, compassion, and selfless service.

BEST OUT OF WASTE

Last week, our school was buzzing with creativity as students showcased their inventive prowess through the 'Best Out of Waste' initiative. This eco-friendly endeavor saw students transform discarded materials into stunning and useful creations, fostering a culture of sustainability and innovation within our campus."

CHILDREN'S DAY

Students of Sr.K.G celebrated Children's day with great festive fervor, to commemorate the birth anniversary of Pandit Jawaharlal Nehru. The program began with a special assembly conducted by the teachers, followed by informative and inspirational speeches by the students.

NEHRU CAP MAKING

Students of Class I enjoyed the activity of Nehru Cap Making on account of Children's Day. Using white paper with the help of the art teacher, they learnt the making of the cap.

CHILDREN'S DAY (CLASS I)

Students celebrated Children's day with great festive fervor, to commemorate the birth anniversary of Pandit Jawaharlal Nehru. The program began with a special assembly conducted by the teachers, followed by informative and inspirational speeches by the students.

LANTERN MAKING

It was a visual treat to see the beautiful decorated lanterns. The activity was held in their respective class rooms. Students were asked to bring all their material from home. Students crafted beautiful lanterns

using various techniques of folding and cutting paper.

WORLD KINDNESS DAY

It's a lovely reminder that kindness isn't just about being nice – it's actually a vital social skill! Teaching students about World Kindness Day helps them understand that kindness and empathy are character traits that will stay with them throughout their lives.

By learning how to show compassion and care for others, students can develop strong, positive relationships, making the world a brighter place one kind act at a time.

Plant Sapling

At HOCL School, we believe in the importance of nurturing not only young minds but also the environment. Recently, our students participated in a sapling planting activity, learning firsthand about the vital role plants play in maintaining a balanced ecosystem. This initiative not only fosters a sense of responsibility towards nature but also instills a deep appreciation for the environment. We are committed to teaching our children the value of nature, empowering them to be the caretakers of tomorrow. Planting a sapling is just one step in our ongoing journey to create a greener, healthier planet.

Ekta Diwas

HOCL School celebrated Ekta Diwas (National Unity Day) with great enthusiasm, emphasizing the importance of unity and harmony in the nation. The students participated in various activities, including pledge-taking, speeches, and group discussions, where they learned about the contributions of Sardar Vallabhbhai Patel in unifying India. Through these activities, the children understood the power of unity in overcoming challenges and fostering a sense of togetherness. The celebration helped instill in them the values of patriotism, cooperation, and

the strength that comes from being united as one.

Quiz Competition

HOCL School organized an exciting quiz competition that brought together students to showcase their knowledge and quick thinking. The event featured a variety of subjects, including general knowledge, science, history, and current affairs, encouraging students to think critically and work as a team. With buzzing rounds and thought-provoking questions, the competition sparked enthusiasm and friendly rivalry among the participants. It was a fun-filled learning experience that not only tested the students' academic abilities but also promoted teamwork, communication, and a spirit of healthy competition.

Tsunami Awareness Day

HOCL School observed Tsunami Awareness Day with a focus on educating students about the importance of preparedness and safety during natural disasters. The day included informative sessions, demonstrations, and interactive discussions, where students

learned about the causes, impact, and warning signs of tsunamis. Experts shared valuable knowledge on how to respond effectively in case of a tsunami, emphasizing the significance of staying calm and following safety protocols. The event aimed to raise awareness among students, equipping them with essential life-saving information in the event of such a natural calamity.

International Literacy Day

HOCL School celebrated International Literacy Day with a series of engaging activities to highlight the importance of education and literacy in shaping a better future. Students participated in reading sessions, storytelling, and discussions about how literacy empowers individuals and communities. The school also organized interactive workshops that focused on the role of literacy in social and economic development. The event helped raise awareness about the global need for education and encouraged students to appreciate the value of learning in their own lives, fostering a deeper commitment to lifelong education.

Krishna crown making

HOCL School organized a fun and creative Krishna Crown Making activity, where students enjoyed crafting beautiful crowns inspired by Lord Krishna. The activity allowed students to explore their artistic skills by decorating crowns with colorful materials like beads, feathers, and glitter, while learning about the cultural significance of Lord Krishna's attire. The event not only sparked creativity but also provided an opportunity to understand the traditions and stories associated with Lord Krishna, making it a joyful

and educational experience for all the participants.

World Health Day

HOCL School celebrated World Health Day with a focus on promoting physical and mental well-being among students. The day was filled with informative sessions on healthy eating, regular exercise, and the importance of mental health. Students participated in interactive activities such as yoga, fitness challenges, and workshops on stress management. The event aimed to raise awareness about the importance of leading a healthy lifestyle, encouraging students to adopt habits that contribute to long-term well-being. It was a day dedicated to inspiring students to prioritize their health for a better future.

DIWALI CELEBRATIONS

HOCL School celebrated Diwali with great enthusiasm and joy, spreading the spirit of light and happiness. The students participated in various activities, including diya painting, rangoli making, and storytelling sessions about the significance of Diwali. The school was beautifully decorated with colorful lights and vibrant decorations, creating a festive atmosphere. The celebration emphasized the values of unity, peace, and the triumph of good over evil. Students also enjoyed sharing sweets

and greetings, making it a memorable occasion filled with warmth and festive cheer.

DIYA DECORATION

Diya Decoration Activity was held on 9th of November .. The main purpose of this activity was to explore the student's imagination, creativity and celebrate the Festival of Lights in its true spirit. All students participated enthusiastically in the activity. Students had to decorate the earthen diyas . The students displayed their creativity by beautifully colouring and decorating the Diyas . It was sheer and a great experience for all our students.

CHILDREN'S DAY

Students of HOCL school celebrated Children's day on the 14th November, 2024, with great festive fervour, to commemorate the birth anniversary of Pandit Jawaharlal Nehru. The programme began with a special assembly conducted by the teachers, followed by informative and inspirational speeches by the students.

Drawing and colouring

HOCL School organized a lively drawing and coloring competition that encouraged students to express their creativity and artistic talents. With a variety of themes to choose from, the students showcased their imagination through colorful and vibrant artwork. The competition provided a platform for young artists to explore their skills while promoting concentration and attention to detail. It was a fun-filled event that not only allowed students to enjoy the creative process but also fostered a sense of accomplishment and artistic expression among all participants.

Independence Day

On Independence Day, 15th August 2024, HOCL School celebrated the spirit of freedom with a special drawing competition centered around the theme of India's independence. Students creatively depicted the country's journey to freedom through colorful and thoughtful artwork, showcasing patriotic symbols like the national flag, historical leaders, and significant events. The competition provided an opportunity for students to express their love for the nation while reflecting on the values of independence, unity, and pride. The event was a vibrant celebration of India's history and the importance of freedom.

Vegetable Printing

HOCL School organized a fun and creative vegetable printing activity, where students used various vegetables to create unique prints on paper. The activity allowed students to explore art in an innovative way by dipping vegetables like potatoes, carrots, and okra in paint and pressing them onto paper to form interesting patterns and designs. It was a hands-on experience that encouraged creativity while also teaching students about textures and shapes. The event not only enhanced their artistic skills but also fostered an appreciation for nature's simple beauty.

chance to unleash their creativity and sculpt unique designs. Using colorful clay, students molded a variety of shapes, figures, and objects, exploring different textures and techniques. The activity not only allowed them to develop their artistic skills but also fostered teamwork and imagination as they worked together to create their masterpieces. It was a fun-filled experience that encouraged self-expression and hands-on learning while enhancing fine motor skills.

World Food Day

HOCL School celebrated World Food Day with a focus on raising awareness about the importance of healthy eating and food security. The day featured interactive activities such as food preparation workshops, informative sessions on nutrition, and discussions about reducing food waste. Students learned about the significance of balanced diets and sustainable food practices, while also engaging in fun activities like poster making and food-related quizzes. The celebration encouraged students to appreciate the value of good nutrition and the role food plays in promoting a healthier and more sustainable world.

WORLD Tourism DAY

HOCL School celebrated World Tourism Day with a vibrant and informative event aimed at promoting global awareness about the importance of tourism. Students participated in activities such as creating travel brochures, presenting on various tourist destinations, and sharing interesting facts about different cultures. The day emphasized the value of exploring new places, understanding diverse cultures, and fostering respect for the environment. Through these engaging activities, students learned how tourism can contribute to economic growth and cultural exchange, making the celebration both educational and inspiring.

Clay Molding

HOCL School organized an engaging clay molding activity where students got the

Essay Writing

HOCL School conducted an exciting essay writing activity that encouraged students to express their thoughts and ideas creatively. The students were given various engaging topics to write about, allowing them to explore their writing skills and showcase their ability to organize ideas coherently. The activity helped improve their writing, grammar, and vocabulary while fostering critical thinking. It also provided a platform for students to articulate their opinions and boost their confidence in written communication. Overall, the event was a great learning experience that enhanced both their academic and creative abilities.
